### FA20 Heavy Duty Oil Pump for Toyota86/SubaruBRZ

FA20 TOYOTA86/BRZ Heavy Duty Oil Pump

FA20 Heavy Duty Oil Pump 15131-FA2-000 List Price 35,000yen

#### Feature

- These heavy duty oil pump gears are designed to replace the oil pump gears found in FA20 engine (Toyota86/Subaru BRZ)
- Made from high spec material and machined by CNC, to give you improved high-revolution reliability.  
Standard oil pumps rotors are fine for standard use , but reliability is questionable in high performance application.  
(Pump capacity is the same as the standard)
